President Milton S. Eisenhower
The Johns Hopkins University

Dear Milton:

Referring to your letter of January 28, I have noted that you have named the Board of Trustees of the Foreign Service Educational Foundation as Advisory Council for the School of Advanced International Studies. I have followed for many years the work of SAIS and while I have not been able to attend as many of the recent meetings as I should like, I should be glad to be of any service that I can as a member of the Advisory Council.

I remain,

Sincerely yours,

Allen W. Dulles

SENSITIVE FILE

THE JOHNS HOPKINS UNIVERSITY
BALTIMORE 18, MARYLAND

MILTON S. EISENHOWER, PRESIDENT

January 28, 1958

Dear Mr. Dulles:

At a recent meeting of the Board of Trustees of the Foreign Service Educational Foundation, a resolution was adopted recommending that the Board be designated by the University to serve also as an Advisory Council to the School of Advanced International Studies. This seems to me to be a very worth-while suggestion which would enable the members of the Board to show even more constructive interest in the School than is presently possible.

As President of the University, therefore, I am happy to name the Board of Trustees of the Foreign Service Educational Foundation as Advisory Council to the School of Advanced International Studies. I hope you will welcome this enlarged opportunity for participation and assistance in the progress of the School.

Sincerely,

Mr. Allen W. Dulles
